DOVIS-SM CHARLES HARRY.

O LB DR. SERATH's many years at periones in caring the debilitated and diseased disclosed the startling fact that three-fourths of those suffering wish Duspeptia, Nervous Debility, Emanuscal Vitainy, Consumption, Concervous Affections, Disease area of the Eulery, Forthysis, and Disease of the Eulery, Forthysis, and Disease of the Eulery, suffering them or Sentence Weakers. Harmonis practice has made his treatment as near perfection as possible. Many of his patients had pald from 1800 to 80,00 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching example on the condition of all symptoms and complications, and scientific treatment by a superienced physician. Those at a Channel one be cired at their bonnes without an interview. Advise tire at 710 Encedway New York. There are so many insurcessful physicians, Dr. Hinara with marriy say he is the author of two elaborate works on Medicine and Sungery and one on Chamicala.
